**RESOLUTION NO.                      -2015, ADOPTING LOCAL LAW  
NO.                      -2015, A LOCAL LAW TO PROTECT PRIVACY IN  
SUFFOLK COUNTY**

**WHEREAS**, there was duly presented and introduced to this County Legislature at a meeting held on                      , 2015, a proposed local law entitled, "**A LOCAL LAW TO PROTECT PRIVACY IN SUFFOLK COUNTY**" now, therefore be it

**RESOLVED**, that said local law be enacted in form as follows:

**LOCAL LAW NO.                      -2015, SUFFOLK COUNTY, NEW YORK**

**A LOCAL LAW TO PROTECT PRIVACY IN SUFFOLK COUNTY**

**BE IT ENACTED BY THE COUNTY LEGISLATURE OF THE COUNTY OF SUFFOLK**, as follows:

**Section 1. Legislative Intent.**

This Legislature hereby finds and determines that the County of Suffolk is responsible for protecting the safety and welfare of its 1.5 million residents.

This Legislature finds that the County owns and operates a number of facilities, including, but not limited to, parks, offices providing health and social services, police precincts and courts. Some of the services offered in these facilities are highly sensitive.

This Legislature also finds that advances in technology allow for individuals to purchase unmanned aerial vehicles, commonly known as drones, that are controlled via remote control and can fly significant distances.

This Legislature further finds that the advent of compact technology allows for drones to be outfitted with cameras that take photographs and video recordings of everything occurring below them on the ground.

This Legislature further determines that members of the public should feel comfortable coming to County facilities without fear of having their visits recorded by unknown individuals or organizations.

Therefore, the purpose of this local law is to ban the use of drones outfitted with cameras at County owned properties and facilities.

**Section 2. Definitions.**

As used in this law, the following terms shall have the meaning indicated:

**PERSON** - Any natural individual, firm, partnership, association, corporation, company or other business or organization of any kind.

UNMANNED AERIAL VEHICLE - Any remotely controlled machine that flies in the air, under the control of a person on the ground. This includes, but is not limited to, remote control airplanes, helicopters and drones.

### **Section 3. Prohibitions.**

No person shall operate an unmanned aerial vehicle which is equipped with a camera on County property or at any County facility unless authorized to do so by the Commissioner of the department that oversees said property or facility.

### **Section 4. Penalties for offenses.**

Any violation of this law shall be a criminal violation, punishable by a fine no less than \$250 nor greater than \$500.

### **Section 5. Applicability.**

This law shall apply to all actions occurring on or after the effective date of this law.

### **Section 6. Severability.**

If any clause, sentence, paragraph, subdivision, section, or part of this law or the application thereof to any person, individual, corporation, firm, partnership, entity, or circumstance shall be adjudged by any court of competent jurisdiction to be invalid or unconstitutional, such order or judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section, or part of this law, or in its application to the person, individual, corporation, firm, partnership, entity, or circumstance directly involved in the controversy in which such order or judgment shall be rendered.

### **Section 7. SEQRA Determination.**

This Legislature, being the State Environmental Quality Review Act (SEQRA) lead agency, hereby finds and determines that this law constitutes a Type II action pursuant to Section 617.5(c)(20), (21), and/or (27) of Title 6 of the NEW YORK CODE OF RULES AND REGULATIONS (6 NYCRR) and within the meaning of Section 8-0109(2) of the NEW YORK ENVIRONMENTAL CONSERVATION LAW as a promulgation of regulations, rules, policies, procedures, and legislative decisions in connection with continuing agency administration, management and information collection. The Suffolk County Council on Environmental Quality (CEQ) is hereby directed to circulate any appropriate SEQRA notices of determination of non-applicability or non-significance in accordance with this law.

### **Section 8. Effective Date.**

This law shall take effect immediately upon its filing in the Office of the Secretary of State.
